WCA tuition and fees cover most costs associated with the education of our students; however, there are certain fees that may be associated with particular class events. These fees will be announced as they arise. Additionally, lunch fees and extended care are optional services; therefore, each service has a separate charge and is not included in your tuition payment. The registration process is not complete until all forms have been completed, registration fee paid and returned to the WCA office.

The payment plans offered for the 2012/2013 school year are as follows:

- 1. Payment Plan 1:** Single payment to WCA for the entire year's tuition. Payment is due by July 31st or within 30 days of registration for new students. Parents choosing this plan will receive a 5% discount on tuition. Discount does not apply to registration, curriculum, or activity fees.
- 2. Payment Plan 2:** Monthly Payment Plan. This plan allows budgeting of school tuition over ten months beginning in August and ending in May. By choosing this plan, you will authorize your bank to allow automatic monthly withdrawals from your checking account each month. You will be required to complete our Draft Authorization Form (included in this packet) from which our financial office will draft your monthly payment. Account withdrawals are made on the 10th or 20th of each month. **Additionally, MasterCard, Visa, American Express and Discover credit cards may be used for payment; however, a fee of 3% per transaction will be assessed for the use of credit or debit cards.** The curriculum fee will be due in June and the activity fee will be due in July.
