

Welcome to sixth grade!

Guess what? We at WCA are excited about what is ahead for you. As we look at the summer, we hope your summer includes some indoor and outdoor adventures as well as plenty of friend time and some individual activities.

Here is something we would like you to do this summer. READ! Specifically read the book Flight of the Fugitives by Dave and Neta Jackson. After you read the book, complete the following activity and bring it to school on the first day. Beginning the first week of school, we will be doing activities as a class with this book.

You can read the book or have someone read it to you.

Complete the included worksheet by identifying four traits (fruit of the Spirit) of Gladys Aylward. Include a specific example of each fruit and provide the page number of that event.

For example, on page 88 Gladys shows her **faithfulness** to God by encouraging Ninepence to "Trust God" when she is afraid. (Choose your own examples as you look for the fruit of the Spirit in Gladys's life.
