

EC SUGGESTED 2023 SUMMER READING

Dear Parents,

Here are some suggested reading selections for the summer. I have included several books to try and peak everyone's interests!

Tips for more effective reading:

- Let your child read both independently and out loud to you.
- Question them about what they've read.
- Help them make a list of words they don't know/understand.
- Ask them what they did or did not like about the book.
- Read to your child. If your child has a tough time with a book, ease their stress by reading the book to them and then discussing it.
