Dual Enrollment Offerings

Weddington Christian Academy is committed to providing students with rigorous academic options. It is our philosophy that dual enrollment contributes to a natural educational progression in preparing students for college. WCA partners with LeTourneau University to offer online, asynchronous courses to juniors and seniors.

For 2026-27, dual enrollment options include Computer Science I, Intro to Business, Intro to Psychology, and Art Appreciation. Students receive an additional quality point in GPA for dual enrollment courses.

Class Rank

WCA does not rank students. Academic achievement is recognized by inclusion in the Honor Roll and selection to Beta Club and National Honor Society.

Guidance

All WCA students participate in PLACED, a four-year guidance program designed to help them discern their next steps and prepare for God’s plan for their lives. Beginning in 9th grade, WCA students will walk through the steps necessary to find, apply, and be accepted to a best-fit college. Students who do not plan to attend college will receive career guidance and internship guidance.

Community Service / Missions

WCA students are servant leaders who impact their community for Christ. **Students are required to perform 20 service hours per year of attendance.** Each WCA graduating class prayerfully selects a local ministry partner in partnership with Weddington Methodist Church. Students also participate in school-wide missions through Operation Christmas Child and Union County Community Shelter.

We are the H.A.W.K.S.

H - Honor
A - Accountability
W - Work
K - Knowledge
S - Success

When a student is honorable, accountable, hard-working, and knowledge-seeking, they will achieve success.

Technology

All WCA students are required to purchase a MacBook to use at school and at home. All parents sign a technology use agreement at the beginning of every school year.
