Dual Enrollment and Advanced Placement Offerings

Weddington Christian Academy is committed to providing students with rigorous academic options. It is our philosophy that dual enrollment contributes to a natural educational progression in preparing students for college. A number of dual enrollment classes will be available to juniors and seniors starting in fall 2026. Most courses will be taught online by an offsite instructor in partnership with a like-minded Christian university.

WCA also plans to introduce a limited selection of AP courses starting in fall 2027. Early offerings will include AP Drawing and AP Seminar.

Class Rank

WCA does not rank students. Academic achievement is recognized by inclusion in the Honor Roll and selection to Beta Club.

Guidance

All WCA students participate in PLACED, a four-year guidance program designed to help them discern their next steps and prepare for God's plan for their lives. Beginning in 9th grade, WCA students will meet regularly with a college counselor who will help walk them through the steps necessary to find, apply, and be accepted to a best-fit college. Students who do not plan to attend college will receive career guidance and help in obtaining a suitable internship.

Community Service / Missions

WCA students are servant leaders who impact their community for Christ. **Students are required to perform 20 service hours per year of attendance.** Each WCA graduating class prayerfully selects a local ministry partner. The Class of 2028 has chosen to partner with Weddington Methodist Church's Homework Help Ministry in Monroe. Students also participate in school-wide missions through Operation Christmas Child and Union County Community Shelter.
